

Victimology Society of Serbia-VDS and the Center for the Care of the Elderly, Children and Persons with Disabilities signed the Memorandum of Cooperation

Victimological Society of Serbia-VDS and the Center for the Care of the Elderly, Children and Persons with Disabilities signed the Memorandum of Cooperation on September 14, 2023. The Memorandum was signed by Jasmina Nikolić, the director of the VDS and Milka Milovanović Minić, the director of the Center.

VDS implements the project entitled "Let the Victims Remain Winners: Inform, Empower, Support!", which is financially supported by the Secretariat for Social Protection of the City of Belgrade, City Administration of the City of Belgrade. The project aims at strengthening intersectoral cooperation at the local level.

The Memorandum of Cooperation between the VDS and the Centre contributes to better

information, prevention and intervention in cases of domestic violence and particularly vulnerable groups, such as children, the elderly, persons with disabilities and Roma.

Further cooperation will, inter alia, include the exchange of knowledge and good practices in cases of domestic violence and discrimination.
